

This is not a story about success in the pandemic, this is a story about success **DESPITE the pandemic. This is a story about it's a pandemic so why not pilot a **NEW** program? And that is exactly the way it happened...**

Patricia Young Director Adult Education ABE/ASE Rock Valley College

Math Bootcamp

GED Booyah

- Third annual camp
- Students needing math test, students wanting to improve math skills and higher level ESL students
- 100% online; team taught
- Offered to current (Spring) enrolled students
- Offered May through June
- 2 hours per day / 3 days per week

What else can we do?

- 8 week fast track to start and finish GED
- 100% online; team taught
- Students identified by CASAS Goals Reading Assessment
- Piloted 2 ways: With existing NRS 5/6 class and stand alone

GED BOOYAH...SO WHAT HAPPENED?

August (Start of 8 week cohort)

AM class 11 active students

(Paired with NRS 5/6 class)

PM class 9 active students

(Stand alone)

October (End of 8 week cohort)

- 49 total tests taken
- 8 graduates
- 5 students with 2 tests completed
- 1 student with 1 test completed
- 9 students continued with second cohort to complete
- All completed students plus students with 3 tests completed have connected with Transitions Coordinator for next steps
