

COLLABORATION AMONG PARTNERS

HOW CAN WE WORK TOGETHER
THE MEANING OF PARTNERSHIPS

Here is an interesting perspective...

Benefits

Let's start with the positive

Complexity?

Is it easy?

‘...we, as solution seekers, can choose to focus on a piece of the problem and tackle just that piece, or we can engage multiple stakeholders to craft solutions that are complex enough and possess the various perspectives and resources necessary to adequately address the challenges.’

Jeanine Becker & David B. Smith, Winter 2018
